

NORTHERN ACADEMY

School Anthem

Where dry and dusty winds do blow
And different ways all directions go
Where dust washed away by lavish
streams
And in summertime the pasture gleams
Stand a building, stands our school.
Northern Academy - our strive, our rule.

School of honour, love and grace
Firm foundation, prosperous ways-
Where we live, strive and believe
A motto comes true: Work to achieve
Work hard, play fair, a future awaits.
Prosperous nation - the roadways straight
Where quality schooling set our belief
The motto is true: Work to achieve.
